

Lab #8: Create a responsive web page of your college which includes information regarding Vision, Mission, Program specific outcomes, Courses Offered, Image gallery of events, Top Recruiters using Bootstrap only.

Tag Used	Attributes Used	Description
<!DOCTYPE html>	<i>None</i>	Specifies the HTML5 document type declaration.
<html>	lang="en"	Root element of the HTML document, setting the content language to English.
<head>	<i>None</i>	Container for metadata, document title, external stylesheet links, and internal styles.
<meta>	charset="UTF-8", name="viewport", content="width=device-width, initial-scale=1.0"	Defines metadata including UTF-8 character encoding and responsive viewport setup for mobile device scaling.
<title>	<i>None</i>	Sets the title of the webpage displayed on the browser tab ("Marwadi University").
<link>	href="...", rel="stylesheet"	Imports the external Bootstrap 5 CSS library for layout and component styling.
<style>	<i>None</i>	Encloses document-level CSS rules for custom styles, smooth scrolling, and hover transitions.
<body>	<i>None</i>	Container for all visible web content displayed to the user.

Tag Used	Attributes Used	Description
<header>	class="..."	Structural header section holding the university title, sub-heading, and navigation menu.
<h1>	None	Main page heading displaying the university name.
<h2>	None	Sub-heading displaying the department name.
<nav>	class="..."	Wraps the main navigation links for section jumping.
<a>	href="...", class="..."	Hyperlinks pointing to specific internal element IDs (#Vision, #Mission, etc.) for navigation.
<section>	id="...", class="..."	Distinct layout blocks grouping related content (Vision, Mission, PSOs, Courses, Recruiters).
<h3>	None	Section-level headings used for titles inside each section block.
<p>	None	Paragraph elements containing textual descriptions and footer statements.
	None	Unordered (bulleted) list containers used in Mission, Courses Offered, and Top Recruiters sections.

Tag Used	Attributes Used	Description
	<i>None</i>	Ordered (numbered) list container used for Program Specific Outcomes (PSOs).
	<i>None</i>	Individual list items inside and containers.
<footer>	class="..."	Footer element containing copyright information and physical location details.

Final outcome:

Marwadi University

Department of Computer Engineering

[Vision](#)
[Mission](#)
[Program Specific Outcomes](#)
[Courses Offered](#)
[Top Recruiters](#)

Vision
 To impart quality technical education through research, innovation, and teamwork for creating professionally superior and ethically strong manpower that meets the global challenges of engineering industries and research organizations.

Mission

- Maintain state-of-the-art ICT enabled teaching and learning methodologies.
- Enable graduates to become digital age literates, innovators, and professionals.
- Provide skills, knowledge, and attitudes for success as engineers, leaders, and entrepreneurs.
- Prepare graduates for lifelong learning and career challenges.

Program Specific Outcomes (PSOs)

- Apply knowledge and competence in the design and development of computer-based systems addressing industrial and social needs.
- Adapt to emerging technological advancements including cybersecurity, AR/VR, and IoT.

Courses Offered

- B.Tech in Computer Engineering
- B.Tech in Cyber Security
- M.Tech in Computer Engineering
- Ph.D. in Computer Science & Engineering

Top Recruiters

- ICS
- Infosys
- Cappgemini
- Wipro
- LTIMindtree
- Cognizant
- Reliance Industries
